"YOUR #1 SOURCE FOR LOSS PREVENTION FASTENERS"

ULTRA-KEY®

SECURE FASTENING SYSTEM

Millions of **ULTRA-KEY** shapes mean each user has a proprietary security fastener.

Each shape is engineered to keep other bits out, making **ULTRA-KEY** the most secure fastener available.

Oversized "Button Heads" repel "Vice-Grips".

Complex keys prevent duplication, assuring only authorized access.

Forged of Stainless Steel, **ULTRA-KEY** is rustproof and tough.

Keys are made from aircraft alloy steel and Heat Treated through a special process.
